## Convention elections updates

---

**E**lections for the 2021 synod convention are already underway. The election process is taking place electronically, and all delegates are taking part.

In the first election, Rev. James Huebner was re-elected to his fourth term as the First Vice President of the Synod. As First Vice President, Huebner will continue to serve on both the Conference of Presidents and the Synodical Council.

The election for the Recording Secretary of the Synod is currently taking place; the final results are not yet in. Rev. Robert Pasbrig currently serves as the Recording Secretary.

Later this week, elections for all other synod positions will be held. The results of those elections will be available prior to the start of the synod convention on July 26.

Please pray that God would guide the delegates as they make their selections and that he would bless those who are elected to serve on our behalf.

- **Thursday, July 15, 7 p.m. CT:**  
Home Missions Q&A webinar (registration required)
- **Saturday, July 17, 6 p.m. CT:**  
Closing worship service, featuring the commissioning of five new missionaries immediately followed by a Q&A with new missionaries

### Watch on-demand video updates from missionaries

Enjoy daily video devotions from WELS Home, World, and Joint Missions representatives, and use the personal reflection questions provided as you consider how to be a missionary in your own backyard.

Get to know some of your synod's 123 home missionaries and 44 world missionaries that are dedicated to sharing the gospel message around the globe in short Moments with Missionaries video updates.

### Have fun with the entire family

Have you ever made Dal Bhat from Nepal? Tasted Pen Patat from Haiti? Savored Doro Wot from Ethiopia? Try your hand at making one or more of the ethnic recipes shared by missionary families and national church partners.

You can also get the entire family involved in learning about mission work through coloring pages, word searches, and more. By completing a Taste of Missions scavenger hunt (coming soon!), kids can be entered to win a Taste of Missions t-shirt, and we'll mail all who participate a Taste of Missions sticker.

### Help us reach our offering goal

WELS mission work is happening in new communities in the United States and around the world every day. WELS Missions appreciates your prayers, special gifts, and congregational offerings. There is always a need to help the hurting, and together with God's blessing, we can do more.

As part of this year's Taste of Missions event, it is our goal to collect \$25,000 in offerings to support future mission work. A generous group of sponsors has pledged to match every dollar up to \$10,000! A gift of \$100 will translate to \$200 for ministry tomorrow, doubling your impact. This Taste of Missions offering will be divided evenly between Home and World Missions on July 31. Learn more about this special offering and how you can support it at [tasteofmissions.com/give](http://tasteofmissions.com/give).

We are excited to join you as we connect with brothers and sisters in Christ from around the globe and learn how we can all play an important part in the gospel outreach occurring through our synod!
