

WELS CONNECTION **CLOSE-UP**

January 2019

Did you know?

Did you know?

In 2018,

- WELS World Missions conducted gospel outreach in 40 foreign countries;
- the Board for Home Missions authorized support for 10 new mission starts;
- 2,100 WELS teens and youth leaders attended the WELS International Youth Rally; and
- WELS released a new version of the WELS mobile app.

You can find out more about these items and other WELS ministry highlights in this year's edition of *Your gifts, God's blessings*—*An annual report to our members.*

God uses the gifts that you give to WELS to bless people here and around the world. Reading WELS' annual report helps you learn about the ministries—the souls—that God is blessing through you. In this year's report you'll find stories of faith in action; photos

of Christian brothers and sisters around the world; and updates on the ministry carried out by WELS Home and World Missions, Ministerial Education, Congregational Services, and other WELS committees and groups.
